Solve-All #1

CLEANER

DEGREASER

STRIPPER

Elgene's **Solve-All #1** is a citrus based cleaner, degreaser & stripper which is designed to replace chlorinated and aromatic solvents.

Solve-All #1 has taken many years to develop and perfect by our laboratories. It contains a blend of concentrated detergents combined with D-Limonene solvent which is a biodegradable solvent occurring in nature as the main component of citrus peel oil.

Uses and Applications

Works on various surfaces such as Concrete, Brick & Mortar, Blue Stone, Natural Stones, Tile and Asphalt.

Cosmoline remover, parts cleaner, engine degreaser, tar & asphalt remover, hand cleaner, floor cleaner, graffiti removal, printing press cleaner, carpet stain remover, metal cleaner, etc.

Solve-All #1 can be used full strength or diluted with as many as 4 parts water.

Diluted 1:1

Removes cooking grease from vents, hoods, grills, walls and floors. Spray on and let stand for a few moments. Remove with a clean cloth or rinse with clean water.

Diluted 1:1,2,3,4

Spray on dirty grimy surfaces, let stand and wipe with a clean cloth or rinse with water.

Cautions

Solve-All #1 is a multi-purpose cleaner. It replaces aromatic and chlorinated solvents. Easy on hands and no fumes. Allow proper ventilation when using in a confined area.
